The mission of the Seventh-day Adventist schools in the Georgia-Cumberland Conference is to provide quality education in a spiritual setting for the students enrolled. It is also a goal to be of service to the communities in the area of our schools. This form is to be used to register the part time student for insurance coverage when involved with school activities. One form must be completed annually for each part time student.

The student accident insurance is primary for the first \$500.00 and then secondary up to \$25,000 and has a catastrophic accident medical benefit of up to \$1,000,000.
